

RABOPLUS 2010 NZ MTB CUP PRESENTED BY NATURE VALLEY TEAMS COMPETITION ENTRY FORM

The idea behind having a 'Teams Competition' is to encourage more of an atmosphere at events by giving local industry a chance to support riders and have a space within the Event Village, and to create an independent prize pool for team participation. It is also a great way of promoting a product by having a team wearing a specific brand.

The information collected will be used for administration or competition related purposes and where relevant in official or media releases.

PLEASE MAKE SURE YOU HAVE READ THE TEAMS COMPETITION RULES BEFORE SENDING THIS FORM IN
